Termination of this Agreement in accordance with this Section 11.2.3 shall be in addition to, and not in lieu

of, any and all other rights and remedies that Mirion may have under this Agreement and/or applicable law, including the right to recover damages for all harm suffered or incurred by Mirion, as a result of Agent's breach of its obligations hereunder.

A copy of such notice shall be sent to legal-channel@mirion.com.

13. GENERAL.

- 13.1. Governing Law. This Agreement will be governed by, construed under and interpreted in accordance with the laws of the State of Georgia, without giving effect to its rules governing conflicts of laws. The Parties acknowledge and agree that the United Nations Convention for the International Sale of Goods shall not be applicable to this Agreement.
- 13.2. Injunctive Relief. The Parties agree that damages alone will be an insufficient remedy for violations of the terms of Sections 9 or 11 of this Agreement, and that Mirion or an Affiliate of Mirion would suffer irreparable damage as a result of a violation. Accordingly, Mirion shall be entitled, in the event of a breach or threatened breach of Sections 9 or 11 of this Agreement, to obtain injunctive relief to enforce the provisions of such Sections 9 or 11. Such injunctive and other relief shall be in addition to any and all other rights or remedies available to Mirion, including, but not limited to, damages or other relief or remedies for such violation.
- 13.3. Force Majeure. Neither Party will be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder (except for the payment of money) on account of force majeure. Force majeure refers to all unpredictable and unstoppable outside events including but not limited to strikes, shortages, riots, insurrection, fires, flood, storm, explosions, acts of God, war, governmental action, labor conditions, earthquakes, material shortages, or any other cause which is beyond the reasonable control of such Party. Without limiting the generality of the foregoing, the Parties agree that failure by the relevant governmental or administrative authority to authorize delivery of a Product constitutes an event of force majeure except where such failure is directly attributable to negligent acts or omissions of either Party in the process of obtaining this authorization. In order to invoke force majeure as an excuse of non-performance, the Party must notify the other Party, in accordance with the Notices provision herein, in writing together with proof of the occurrence of such an event and the relevant start and, if known, end dates. If the delay or impediments due to such events exceed a period of three (3) months, the Parties will consult together to find a solution to any problems created by such delays or impediments and to agree upon any amendment to the terms and conditions of this Agreement which may be deemed necessary. Nothing herein will modify or limit Agent's obligation to make the payments required hereunder in accordance with the terms herein.

- 13.4. Severability. In the event that any of the terms of this Agreement are in conflict with any rule of law or statutory provision or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms will be deemed struck from this Agreement, but such invalidity or unenforceability will not invalidate any of the other terms of this Agreement and this Agreement will continue in force, unless the invalidity or unenforceability of any such provisions hereof does substantial violence to, or where the invalid or unenforceable provisions comprise an integral part of, or are otherwise inseparable from, the remainder of this Agreement. In this event, the Parties will replace the provision or provisions with provisions that are as close as possible to the invalid or unenforceable provisions.
- 13.5. Amendments. This Agreement will not be deemed or construed to be modified, amended, rescinded, cancelled or waived, in whole or in part, except by written amendment signed by the Parties hereto.
- 13.6. Event of Default. To the extent Agent is a party to another agreement with another Mirion entity listed in the Recitals, any breach or event of default of any of these Agreements entitles Mirion to terminate this Agreement for breach in accordance with Section 10.2(a) of this Agreement.
- 13.7. Assignment. Mirion may assign this Agreement and its rights and obligations hereunder upon written notice to Agent. The rights and obligations of Agent under this Agreement are personal to Agent and may not be assigned, delegated, transferred, licensed, sublicensed, or otherwise disposed of without the prior written consent of Mirion.
- 13.8. Headings. Headings in this Agreement are included herein for convenience of reference only and will not constitute a part of this Agreement for any other purpose.
- 13.9. Counterparts. This Agreement may be executed in two or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by fax or scanned copy sent by e-mail will be sufficient to bind the parties to the terms and conditions of this Agreement.
- 13.10. Entire Agreement. This Agreement, along with the documents incorporated as an integral part of this Agreement, constitute the entire agreement of the Parties with respect to the subject matter hereof, and supersedes any and all previous agency or similar agreements by and between Mirion and Agent as well as all proposals, oral or written, and all negotiations, conversations or discussions heretofore had between the Parties related to this Agreement.
